

HOW IS THIS ONGOING WAR AFFECTING UKRAINIAN ORPHANS? CAN THEY GET P.T.S.D. FROM IT....PUTIN'S INVASION FEBRUARY 24, 2022 & WAR

Dear Friend,

In addition, to all we've sought to do to serve and help the 20 orphanages we currently work with and the Children's Department in the Izmael Hospital (with all your AMAZING help...THANK YOU!**)....medicines, food, back-up generators, funds to build **BOMB SHELTERS** to keep the children safe, to restore floors, ceilings, walls, replace doors, windows, buy clothes, medical supplies and furniture, schools supplies, chairs, desks, and on and on...**

We also have been working with the orphanages' psychologists...one item many have requested are sensory boards for therapy for the children.

In one orphanage with hearing impaired children, we provided special learning and sensory items.

One would wonder the impact emotionally on these precious children as Russia's relentless missile and drone attacks happen daily and often times several times a day, sending the children to dark and dank bomb shelters...we provide places to sleep, places to play, places to have school, toilets, showers....

As you may remember, there have been times when one of our orphanage teams have been visiting an orphanage sharing a Bible lesson, crafts and other fun activities, and the air raid sirens go off.

SVETA: "WITH SO MANY AIR RAIDS, RUSSIAN MISSILE & DRONE ATTACKS, THAT WE ALMOST CANCELLED TRAVELING TO CHERNIGOV ORPHANAGE, BUT I AM GLAD WE CAME...."IT WAS SO GOOD TO BRING THOSE PRECIOUS CHILDREN SOME JOY, CARE AND LOVE....YOU SHOULD HAVE SEEN THEIR FACES WHEN WE ARRIVED."

The team takes all of their things including the crafts they bring and hurry to the bomb shelter (which we provided funds for to build), along with staff and the children, and then continue their time together.

PRAY FOR US, as April is a PIVOTAL month, as the war in Ukraine is in its FOURTH YEAR, and as the needs seem to continue to grow and as 20-30% inflation in Ukraine make purchases more challenging than ever.

THANK YOU for your continued PRAYERS and for your continued FINANCIAL SUPPORT that helps us to help these precious children in what is THE DARKEST DAYS of their young lives.

With Kindest Regards, Greg
