

"This letter is addressed to you by the teachers and orphans of Snovsk village orphanage.
We are thankful to you for your support and help!
"Medicines you gave are extremely necessary for the kids in winter. Healthy children are happy children.
"You are showing an amazing example concern & care for our future generation. Every meeting with your team is a like a holiday and brings joy, such positive emotions and good mood for our children. It is evident that your volunteers are called to do good.
"Mr. Gulley, from the depths of our hearts, we wish you health, harmony, happiness and peace of mind for you and your family.
"May the Lord return a hundredfold to you for your understanding, support, & for the piece of your soul which you are giving to our children."
With Respect, Yana Tiutunnyk, Orphanage Director, Snovsk
