

NEW WELL, PIPING, WATER PUMP, AND INSIDE PLUMBING WE FUNDED AT KOMARIVKA ORPHANAGE

Dear Friend,

IN WAR-TORN UKRAINE, OUR ORPHANS' DRINKING WATER HAS GONE FROM BAD TO WORSE!

Since the war started, the ground water in Ukraine, as you can imagine, has been getting worse and worse....and the rumors that Russia has been illegally using chemical weapons makes the matter potentially even worse!

SOME OF THE ORPHANS ARE CHECKING OUT THE NEW WATER SYSTEM & PLUMBING WE FUNDED & HAD INSTALLED AT THEIR ORPHANAGE. I LOVE THIS PICTURE THEY SENT

“RUSSIA'S FULL-SCALE INVASION OF UKRAINE HAS TAKEN A SEVERE TOLL ON THE COUNTRY'S AGRICULTURAL SECTOR AND ENVIRONMENT SINCE FEBRUARY 2022...THE WAR HAS SINCE SCARRED UKRAINE'S LAND, DAMAGED WATER & SEWAGE INFRASTRUCTURE RESULTING IN A SIGNIFICANT DECLINE IN THE QUANTITY AND QUALITY OF DRINKING WATER.”

FORBES NEWS, AUGUST 8, 2026

AS YOU CAN SEE FROM THESE PICTURES, WE'VE BEEN ASKED TO FUND THE DIGGING OF NEW WELLS, WATER PUMPS & WATER PURIFICATION SYSTEMS, SO THAT THESE PRECIOUS CHILDREN, WILL HAVE SAFE, PURE WATER TO DRINK.

NOW MINISTERING IN 21 UKRAINIAN ORPHANAGES AND CHILDREN'S DEPT. IZMAIL CITY HOSPITAL

WE FUNDED A NEW WELL, PUMP, PIPING & WATER PURIFICATION SYSTEM FOR FASTIV ORPHANAGE IN BIKETCKAYA

Once the water purification systems are in, we're also providing filters and other supplies to operate them on a regular basis.

I asked Vanya (our NEW LIFE staff member who lives in Kyiv) about this problem with the water and he texted me back saying:

LAST WEEK, OUR STAFFER IN KYIV, VANYA, SENT A NEW REQUEST FROM THE SECOND ORPHANAGE WE HELP IN THE TOWN OF FASTIV, UKRAINE (#18,19 ON MAP), THAT ALSO NEEDS A WATER PURIFICATION SYSTEM— ESTIMATED COST \$3500....ONE OF THE MANY THINGS WE PLAN TO PROVIDE IF OUR MATCHING GIFT EFFORT IS SUCCESSFUL...PART OF OUR ANNUAL MINISTRY LAUNCH, SEPTEMBER 1ST

"THE DRINKING WATER HAS GOTTEN MUCH WORSE. RUSSIANS TRY TO DESTROY ALL THINGS AS THEY TRY AND MAKE CHAOS AND PUSH UKRAINIAN PEOPLE TO GIVE UP. BUT WE WON'T!

"THEY HAVE BEEN BOMBING (MISSILES AND DRONES) WATER STATIONS, SANITATION STATIONS ALONG WITH UTILITIES LIKE ELECTRICITY. EVEN WHERE I LIVE IN KIEV I HAVE NOTICED IN OUR APARTMENT BUILDING THAT THE WATER COMING IN IS OF A MUCH WORSE QUALITY THAN BEFORE THE WAR."

Since the first months after the war began (February 24, 2022), we have funded new wells, piping and water purification systems, and now I pray we will have the resources to do the same for ALL of the 21 orphanages we serve and the Children's Department of the Izmail City Hospital if they need & request it.

As you can imagine, this is an expensive and extensive undertaking...*but undertake it we must!*

MATTHEW 25: " I WAS THIRSTY, AND YOU GAVE ME SOMETHING TO DRINK... 'I ASSURE YOU AND MOST SOLEMNLY SAY TO YOU, TO THE EXTENT THAT YOU DID IT FOR ONE OF THESE BROTHERS OF MINE, *EVEN THE LEAST OF THEM*, YOU DID IT FOR ME.'

"WE HAD TO HIDE THE ORPHANS FOR 2 DAYS IN THE FOREST TO AVOID RUSSIAN PATROLS..."

UKRAINIAN ORPHANAGE DIRECTOR VERONIKA

Dear Friend,

If you were to ask me 'What are the three most gripping, amazing stories you've seen in war-torn Ukraine since the war began' (February 24, 2022 ~ TODAY IS DAY #1,606)....

THEIR MIRACULOUS STORY WOULD BE AT THE TOP OF THE LIST.

"I AM SO GLAD THAT NEW LIFE MINISTRIES HAS 'ADOPTED' US AND IS PROVIDING DESPERATELY NEEDED HELP LIKE THIS GENERATOR & THE FUEL FOR IT, AND IS COMMITTED TO HELPING US GET BACK ON OUR FEET NOW AND IN THE MONTHS AHEAD."

It all began in Russian occupied territory in the eastern part of Ukraine. Veronika, the orphanage director, shared: "Earlier, we had to leave our orphanage back in 2014 in the eastern part of Ukraine, the Donbas region next to Russia, when war broke out in their region by the Russian-backed separatists.

"We had to leave everything behind and flee to a Ukraine-controlled area then. We were determined to start a new orphanage in another place, still not losing heart, and fervently desiring to return.

NOW MINISTERING IN 21 UKRAINIAN ORPHANAGES AND CHILDREN'S DEPT. IZMAIL CITY HOSPITAL

**VERONIKA, ORPHANAGE STAFF & ORPHANS TREK ACROSS
WAR-TORN UKRAINE**

"We were able to set up a new orphanage in another city in the region until February 24, 2022, when Russian forces invaded, and WE AGAIN HAD TO FLEE TO SAVE OUR LIVES AND THE LIVES OF THE CHILDREN.

"This time, we couldn't take anything with us. That's how quick we had to leave the orphanage!

"I JUST TOLD THE KIDS TO PUT TWO SETS OF CLOTHES ON. THE CITY WE HAD MOVED TO WAS HEAVILY BOMBED AND WE FOUND A PLACE TO HIDE IN A BASEMENT WHERE WE SPENT 16 LONG DAYS AND NIGHTS, HEARING THE CONSTANT SOUND OF BOMBINGS AND EXPLOSIONS CLOSE BY."

"Finally, we tried to get safely to the railway station in order to travel to Ukraine-controlled territory again.

"To get there, we spent two days wandering in the forest, trying to make our way to the railway station we were desperately trying to find.

"The whole time we were hiding from Russian patrols....imagine trying to hide from Russian patrols with all these orphans, **BUT TRULY GOD WAS WITH US."**

"We finally made it, and the train eventually took us to Izmail and then to the town of Artsyz, a trek all the way across the entire country of Ukraine.

"Once in Artsyz, we were able to find two buildings to stay for one year."

According to Veronika, they needed to settle in the Odessa region. She is absolutely sure that nothing is left of their orphanages in the city from which they fled even after it is liberated, but already four years have passed. But they are determined to live on & give their children a worthy future.

Since that time, we've provided for them, and their new orphanage home, a back-generator and fuel to run it...plus, just this week, Vanya is sending another shipment of medicines, disinfectant supplies and on it's way is a power supply to be used when there are extended shortages.

In addition, we've bought and delivered laptop computers for the orphans to use since their schooling currently is online due to the ongoing war.

"IMAGINE TRYING TO HIDE IN THE WOODS FROM RUSSIAN PATROLS WITH ALL THESE ORPHANS, BUT GOD WAS WITH US!"

**VERONIKA,
ORPHANAGE
DIRECTOR.**

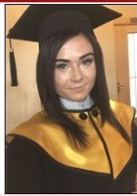

OTHERWISE, THEY WOULD NOT BE ABLE TO CONTINUE THEIR STUDIES.

Please pray for Veronika and all those under her care...you can imagine all they've been through and the blessing it is to feel that they are safe, although the war continues.

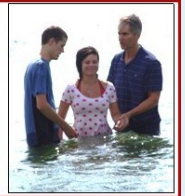

THANK YOU for your prayers and financial help that has & continues to bring the love of God in practical ways to them & through our teams!

**"IT'S WONDERFUL TO SEE THAT OUR CHILDREN FEEL VERY CARED FOR. THANK YOU TO YOU AND ALL THOSE THAT HELP YOU!"
VERONIKA, ORPHANAGE DIRECTOR**
